
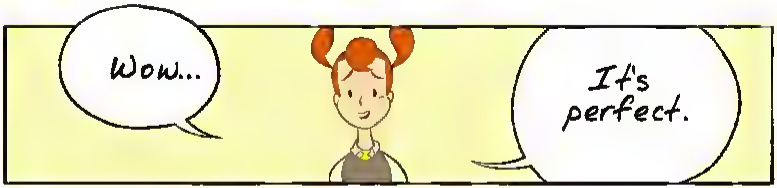
Hey.
Hi.

What do you think?
I incorporated some of your ideas.



Wow...
It's perfect.

Are you okay?

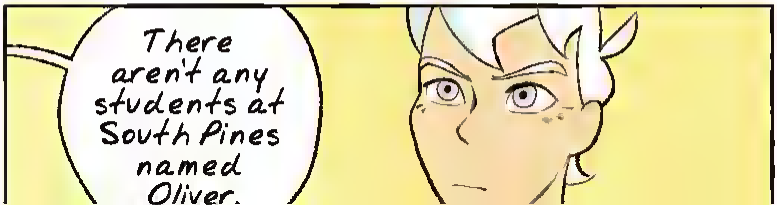
I don't know...
Everything seems muddled right now.

Can I ask you a question, Oliver?
Sure.

Is--
Is Oliver your real name?

Yeah.
Why?

My overly curious friends looked you up in the school directory and--
Well--
You weren't there.



There aren't any students at South Pines named Oliver.

My friends think you're dangerous.
They think I shouldn't hang out with you.
But they don't know you like I do.
I know I can trust you.
It's just--
This

thing about your name not being in the system...
It's kind of weird.
Amy--
The truth is I--
hing!!

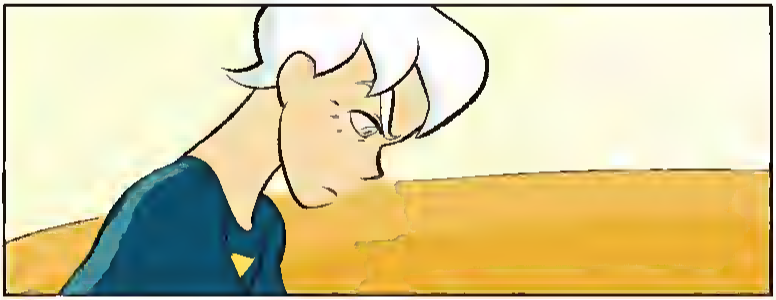
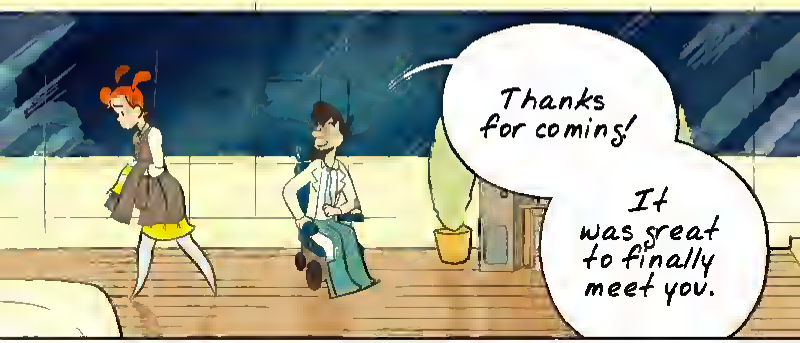
Hey, you two.
How'd the s'mores turn out?

They were great.
Thanks.

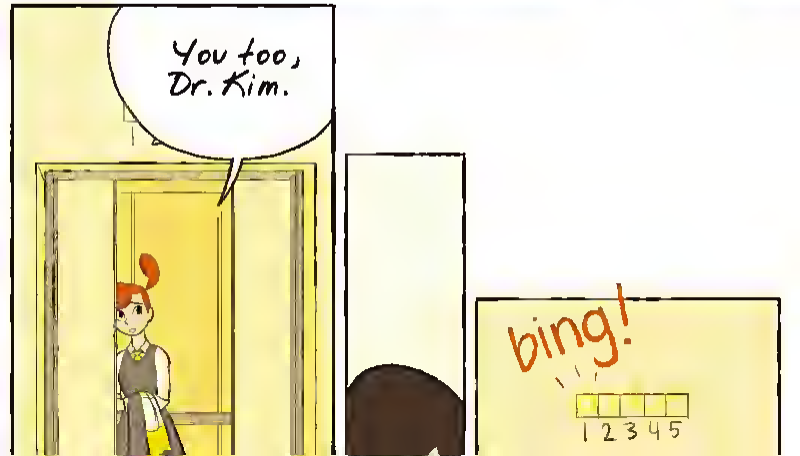
I'm sorry we didn't have any chocolate.
What do you say we go out and buy some?
Uh...
I should probably head home.

It's almost dinner time anyways.





Thanks for coming!
It was great to finally meet you.



You too, Dr. Kim.
bing!

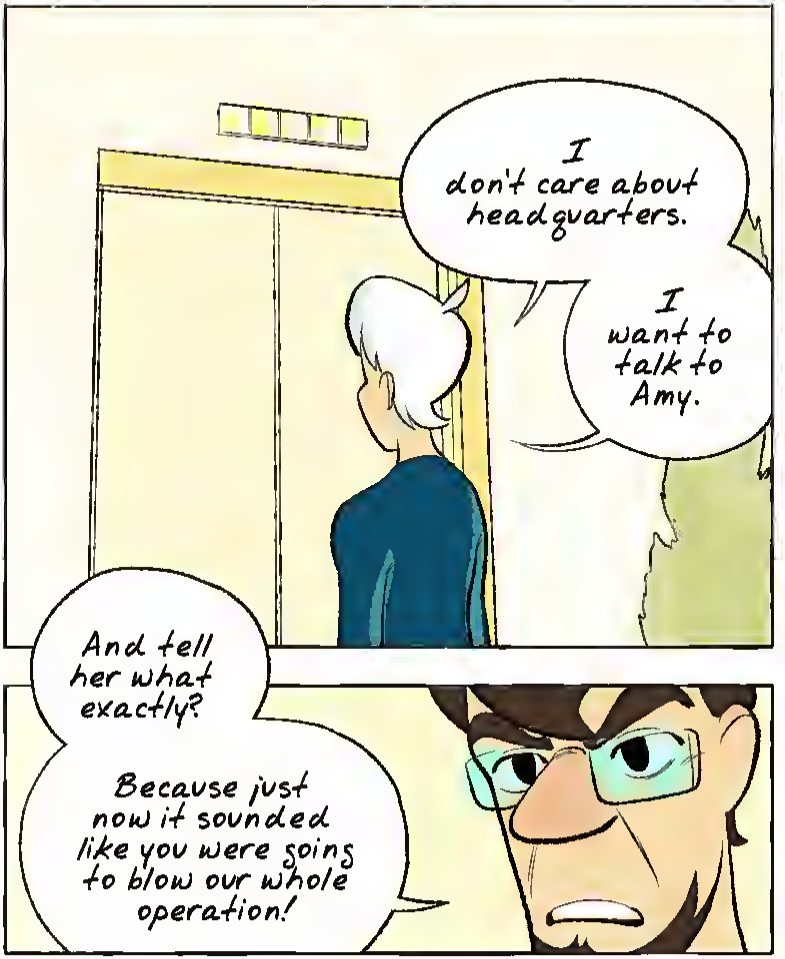
Phew.

Thank goodness I got here in time.

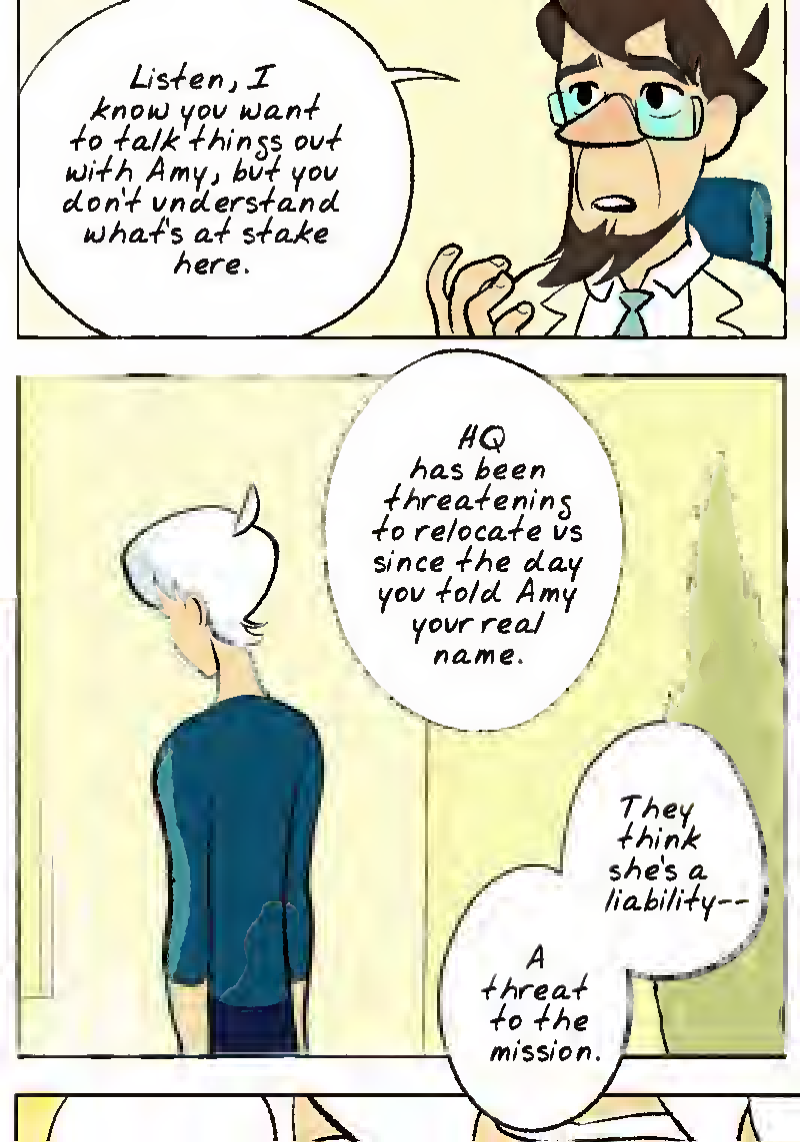
Do you know how much trouble we're in right now?
Hey!
Where are you going?
I have to talk to Amy.
Oh, no you don't.
We have to smooth things over with headquarters first.
They're freaking out over there!



I don't care about headquarters.
I want to talk to Amy.
And tell her what exactly?
Because just now it sounded like you were going to blow our whole operation!

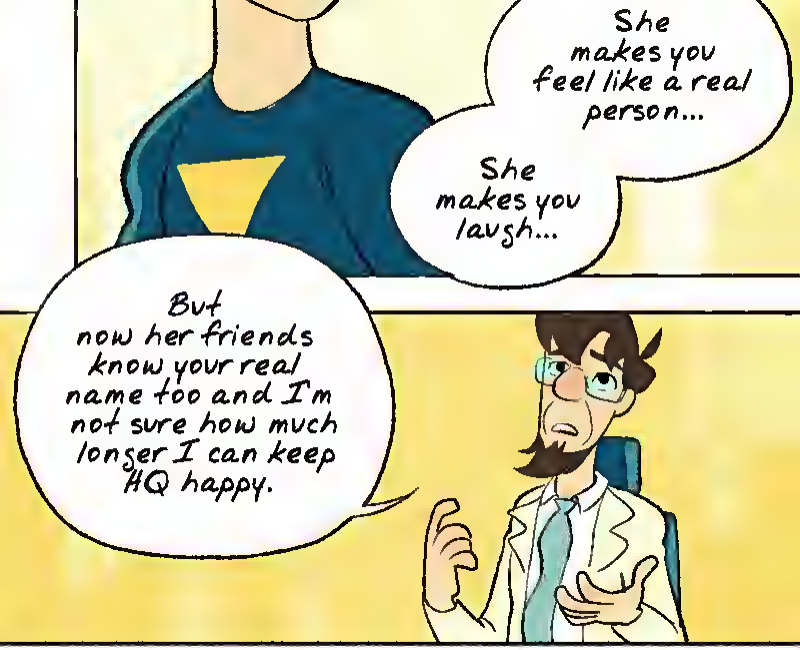
I think I'll take the stairs.

Oliver!
PLEASE!
Listen to me for one second!
I beg you!



Listen, I know you want to talk things out with Amy, but you don't understand what's at stake here.
HQ has been threatening to relocate us since the day you told Amy your real name.
They think she's a liability--
A threat to the mission.

That's--
I know.
I'm on your side here, Oliver.
I can see how much you need her. You need her in a way you never needed me.



She makes you feel like a real person...
She makes you laugh...
But now her friends know your real name too and I'm not sure how much longer I can keep HQ happy.

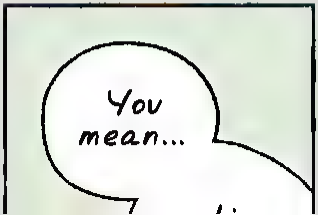
I mean, her friends are actively investigating you, Oliver.
If we're not careful HQ will remove

us from Kokomo.
You'd never see Amy again.

What do we do?

You need to set Amy to stop asking questions.

Tell her you're not in the school records because Oliver is a middle name or--
Oh!
Tell her it's a nickname!



You mean...

Lie to her?
Yes...
I couldn't do that.
Are you serious?
When you lie to someone you force them to live inside a false reality.

I couldn't do that to Amy.
Oliver, a false reality is the safest place for her to be!

I WON'T DO IT!
KRAKOOM!
